Note: Electives other than those listed above may be substituted upon program approval.

When considering other course substitutions, the philosophy is that a student should take 18 credits in courses that expose them to a wide variety of subjects that enable them to understand that we live in a multicultural society.

A minimum of 12 credits should be selected from courses designated as ETH (Ethnic and Diversity Studies)

\* TRF=Transfer Credit CBE=Credit by Exam CLEP=College Level Examination Program AP=Advanced Placement Examination

This advising/graduation checklist lists the program requirements for students entering CCAC in the academic year indicated. A continuing student may graduate with the requirements in effect the year the student entered CCAC. All students must earn 30 college level credits in CCAC classes (this includes distance education courses) and have a minimum institutional GPA of 2.0. Mathematics electives must be at the 100 level. The remaining program credits may include transfer credit, credit by examination, CLEP, or AP examinations. Institutional credits and GPA are used to determine eligibility for graduation.
