**Description: BLS Provider CPR**

The AHA's new BLS Course has been updated to include science and education from the 2015 Guidelines Update for CPR and ECC. It teaches both single-rescuer and team basic life support skills for application in both prehospital and in-facility environments, with a focus on high-quality CPR and team dynamics.

In the Instructor-led course, students participate in simulated clinical scenarios and learning stations. Students work with an AHA BLS Instructor to complete BLS skills practice and skills testing. Students also complete a written exam.

I agree that once I register I become legally bound by and agree to the terms of the Community College of Allegheny County Student Financial Responsibility Agreement, and as such become responsible for all charges incurred, unless I drop classes during the designated refund period. I understand that the college is extending credit to me and permitting me to register, enroll and attend classes in return for my promise to pay the college all tuition and fees incurred as a result of my registration, and that such extension of credit constitutes an educational loan or education benefit that is non-dischargeable under Section 523 (a) (8) of the United States Bankruptcy Code. I understand that failure to pay my student account or any monies due and owing CCAC may result in a financial hold placed on my account preventing registration for future classes, release of transcripts and diplomas, and additional college services. Additionally I understand that failure to pay my student account or any monies due and owing CCAC will result in a \$15.00 late payment fee assessed to my account for each late payment and may result in my account being referred to a third party collection agency resulting in additional fees. Finally, I understand that all delinquent student accounts may be reported to one or more of the national credit bureaus.
