

Do What You Do Best. Save Lives.

Do you want to take your career to the next level? If so, consider becoming a paramedic.

CCAC and Sharon Regional Medical Center are partnering to offer certified AEMTs with the knowledge and skills necessary to be eligible to obtain national registry certification as paramedics.

Graduates of the 11-month AEMT to Paramedic program will have the ability to obtain employment as paramedics upon successful completion of the National Registry Paramedic exam. In addition, graduates will have the opportunity to receive advanced standing toward CCAC's Paramedic Associate of Science degree program.
