## Allegheny Campus Winter Intersession Courses

December 18, 2018–January 11, 2019

Choose from a variety of courses. Select courses that can be used toward your major or count as electives in your program of study.

With their small class size and individualized attention, intersession courses are a great option for any student looking to earn additional credits, especially:

**Allied Health or Nursing students • Student athletes • Active Military or Veteran students**

The following hybrid (60% in person, 40% online) and traditional (100% in person) courses are available during the Winter Intersession:
