

Accelerated Professional Programs (APPs)

CCAC's Accelerated Professional Programs provide the flexibility of online and hybrid learning in an accelerated format, giving students the opportunity to earn a certificate or degree faster.

The following APPs are available fall 2016 and can be completed entirely online:

Allegheny Social Sciences (059.2), associate degree

Boyce Criminal Justice & Criminology (600.6), associate degree
Paralegal (604.3), associate degree

North Software Development (243.4), certificate

South Computer Forensics (233), certificate
Mobile Applications (Apps) Software Development (787), certificate
Business Management (216.1), certificate

The following APPs are available fall 2016 as a hybrid; students will attend class on Saturdays and complete other requirements online during the week:

Allegheny Accounting (105), associate degree
Paralegal (605.3), certificate
Drug & Alcohol (414.1), diploma
